

DIAMOND CUP GRINDER

DESCO DIAMOND CUP GRINDERS

The Desco dust-free diamond cup grinders are heavy-duty commercial grade grinders capable of using both diamond cup wheels and DescoRip discs. Ideal on concrete or stone for coating removal, mastic removal, edging, planning, milling and coating preparation. The bullnose option allows for edge grinding right up to a 90 degree angle such as where a floor meets a wall. Also available in pneumatic models.
