

DESCO RP VAC

RADIOLOGICAL PROTECTION VACUUM

A nuclear-grade vacuum suitable for *Radiological* and *HAZMAT* applications with safety features designed expressly for the nuclear power industry.

FEATURES

The **Radiological Protection Vacuum** was designed with lockable latches to **prevent workers from opening a contaminated vacuum without RP supervision.**

Features include:

- Stainless steel tank
- Lockable latches
- Thermal overload protection (electric models)
- Power plug lock to prevent unauthorized use (electric models)
- Tank inlet plug to prevent debris spilling during transport.
- ULPA filtration on 6-gallon models (99.999% efficient at 0.12 microns)
- HEPA filtration on 15-gallon models (99.97% efficient at 0.3 microns)
- Fire resistant and glove box options available

6-Gallon, Pneumatic

6-Gallon, Backpack

15-Gallon, Electric

Lockable Latches

Fire and Spark Resistant Options

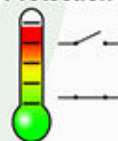

Durable Stainless Steel Tank

Power Plug Lock

Thermal Overload Protection

Inlet Plug

Needlegun
w/DESCO HAZguard
Toxic Dust Collector

Sander
w/DESCO HAZguard
Toxic Dust Collector

CONFIGURATIONS

Part	Type	Filter	Features
Electric Models			
340.004	6-Gallon Canister	ULPA	Stainless steel tank, lockable latches, plug lock, inlet plug, thermal overload protection
341.004	6-Gallon Canister	HEPA	
341.003	6-Gallon Backpack	ULPA	
341.839105.15	15-Gallon Canister	HEPA	
Pneumatic Models			
341.87506.01	6-Gallon Canister	ULPA	Stainless steel tank, lockable latches, inlet plug
341.001	6-Gallon Backpack	ULPA	
341.87515.03	15-Gallon Canister	HEPA	

OPTIONS

Part	Feature
340.000	FR – Fire Resistant Assembly. Includes fire retardant hose (10'), with inline spark arrester. <i>Applies to:</i> All models
340.000025	FR – Fire Resistant Hose Extension. A 25' fire resistant hose used to extend the range of the Fire Resistant Assembly (340.999). <i>Applies to:</i> All Models.
340.8391	GB – Glove Box Suction Control. A variable speed control allows suction to be dialed down to prevent glove box from collapsing. <i>Applies to:</i> Electric models.
