MODEL 50 LONG REACH

LONG REACH NEEDLE GUN

The Model 50 needle gun is a back saver and time saver. The long reach gets you off your knees and off your ladder. An added bonus of the extended reach when working around hazardous materials or radiation is to keep the worker away for the danger source.

*Features

- Ability to access overhead areas as well as lower hard to reach corners.
- Optional handle lengths offered to fit your application; 3 or 5 feet.
- Air actuation lever located at bottom of pole.
- Hand grip at center of tool for greater control.

*Specifications

Model 50 Needles	28 - 3mm
Weight	14.1 lbs.
Length	3' or 5'
Stroke	1.54"
Blows per minute.....	2200
Air Requirement	90 PSI @ 5 cfm
